[REDACTED]. He has spent several months with representatives of other Washington agencies in order to determine their requirements in the Near East and North African areas and has also been, as you know, in New York [REDACTED] for many weeks. During his stay in New York he made a very careful survey of material available there and is armed with many introductions to representatives of companies with interests in his area of assignment.

[REDACTED] is leaving Washington by plane on October 25 and intends to stay four or five days [REDACTED]. I think it would be advisable for him to talk with appropriate individuals [REDACTED] particularly

25X1X7

with [REDACTED] with the thought that he may be able through these channels to make contact with representatives of [REDACTED]

25X1X7

25X1X7

[REDACTED] and possibly even with those of [REDACTED]

25X1X7

Introduction to field installations [REDACTED] still in

25X1X7

25X1X7

the Near East would be most helpful to him. I will leave it to you and others [REDACTED] to determine whether or not such contacts are

advisable. He will get in touch with you as soon as possible after he arrives [REDACTED]

Did you deliver my gift? I haven't heard from the recipient.
